

## LASA 3Rs Section - Call for Speakers LASA Annual Conference 2023

In celebration of 60 years of LASA, the LASA 3Rs section conveners are inviting submissions for spoken presentations to on any aspect of the 3Rs (Replacement, Reduction and Refinement) to be given at the 2023 LASA Annual Conference, which will be held in person on 21<sup>st</sup>-23<sup>rd</sup> November 2023. The LASA 3Rs session is scheduled to take place on Thursday 23<sup>rd</sup> November from 13:00 - 15:00 (UK time).

We are pleased to announce that alongside the normal bursaries provided by LASA, the NC3Rs have also kindly agreed to sponsor selected abstracts, with reasonable travel costs being provided for all speakers.

Abstracts demonstrating new 3Rs advances that are supported by scientific data are encouraged, with submissions from early career researchers and animal technicians particularly welcomed. If you wish to contribute, please submit a title, and abstract to the LASA Secretariat for consideration no later than 31st August 2023: [info@lasa.co.uk](mailto:info@lasa.co.uk)

Abstracts should be written in English and not exceed 400 words, excluding the title and the authors' names and addresses. Please use a Word document when submitting an abstract. Text should be in Arial font, size 10. The title should be in the centre and in bold capital letters (as below).

### TITLE OF PAPER

**AB Authorone<sup>1</sup> and CD Authortwo<sup>2</sup>**

<sup>1</sup> Department of Research and Development, Institution, UK

<sup>2</sup> Department of Applied Animal Welfare, University of Brewhouse Hill, UK
