Declaration

I have read the ['MRC Code of Practice for Members of Council and Boards and MRC Policy on Declarations of Interests'](#) and agree to abide by the principles and terms of the Code.

I undertake to declare at meetings on NC3Rs business any private, professional, commercial, financial, political or other interests that might be perceived to conflict with the NC3Rs interests and which have not been listed above. I accordingly agree to update this written declaration on an annual basis over the term of my appointment and provide further interim updates as circumstances change.

I note and accept that the NC3Rs will hold the details I have provided and that these details will be available for public inspection and are subject to inspection by auditors. I note and accept that the information provided here will be published (other than any sections I have identified as being confidential) on the NC3Rs website and that it and will be retained in line with the NC3Rs retention and disposal policy for records.

I hereby declare that the information and record(s) submitted as indicated above is true and correct to the best of my knowledge and belief.
